

MAS: Licenses Issued

Measurement method:

The number of licenses issued by Metro Animal Services each month

Why measure?

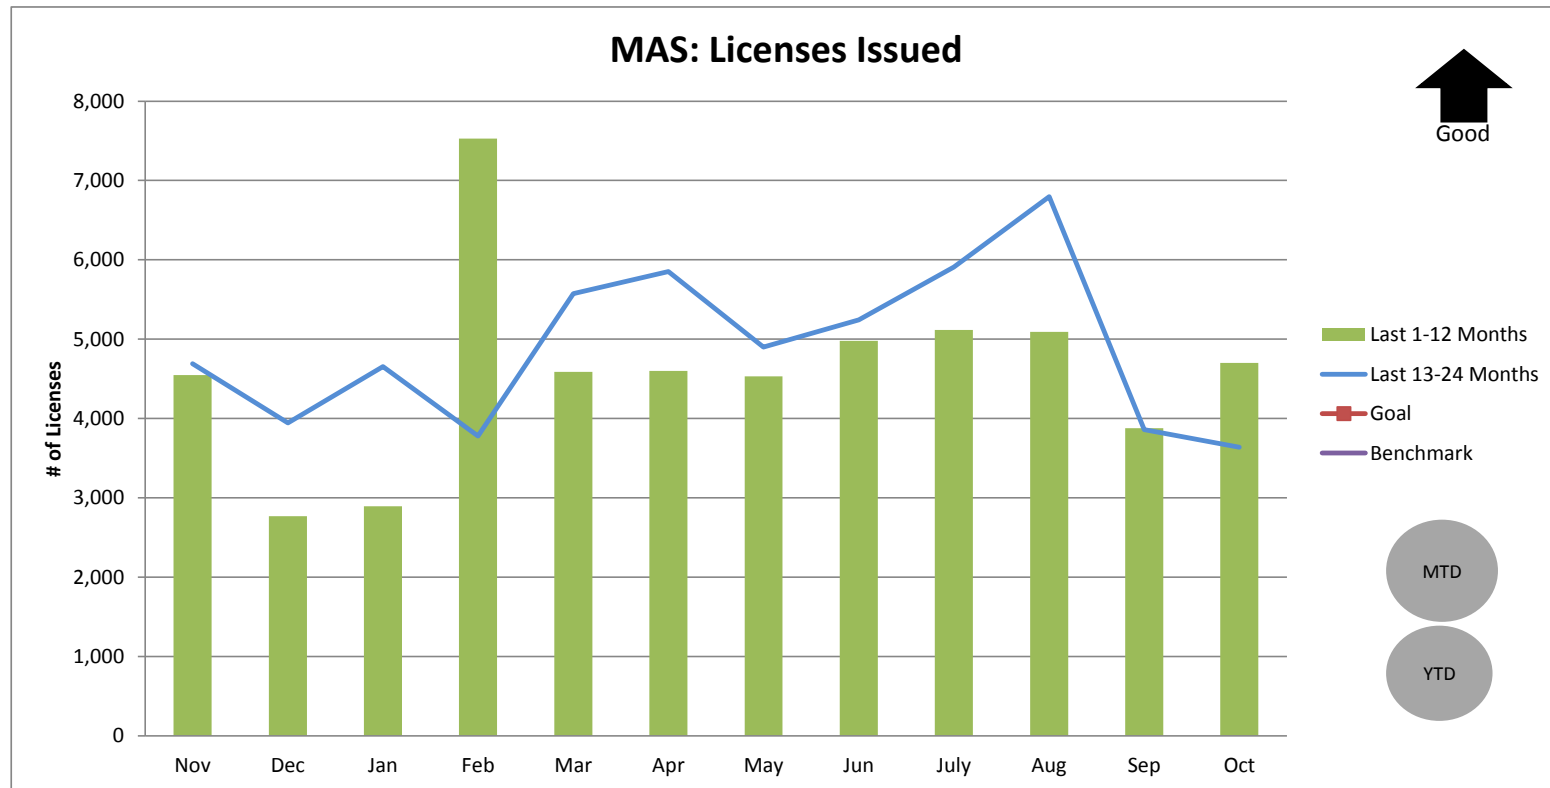

Measures one of the core processes of Metro Animal Services, the licensing of animals

What is our goal?

Increase the number of licenses issued

How are we doing?

YTD Goal = 115,034 licenses (in calendar year 2013); YTD Total = 55,213 licenses; YTD Average = 4,601 licenses; MTD = 4,701 licenses
